PERFORMANCE STANDARDS

BUILT FOR RELIABILITY

Mashianana overrides traditional transit inefficiencies by shipping direct without mid-route loading shifts.

DIRECT DOOR-TO-DOOR

Avoid slow cargo shifts at warehouses. Your heavy components, steel structures, or pipes stay secured on the exact same trailer from pick-up to final delivery point. No damage risk.

ACTUAL VISIBILITY

Track shipments in real-time with GPS tracking. We verify borders and load status at all transit nodes.

CLIENT SUCCESS

WHAT OUR CLIENTS SAY

We coordinate directly with site managers and coordinators to guarantee safe drop-offs.

"Mashiana and their flatbed crews go above and beyond. Sourcing reliable flatbeds across borders is always tough, but they consistently deliver on-time with clean cargo protection."

BRIAN K.

SUPPLY CHAIN MANAGER, EMIRATES STEEL

"We wish every logistics company had the same commitment to communication as Mashiana! Not only do they handle oversized loads safely, they provide real-time location maps."

LAURA M.

OPERATIONS DIRECTOR, GCC INFRASTRUCTURE CORP

Mashiana Heavy Transport is the premier GCC-wide flatbed carrier, delivering oversized machinery, steel cargo, and project materials safely and reliably for over a decade.
